LETTER FROM THE BOARD

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Executive Chairman

This explanatory statement contains all the information required pursuant to the Listing Rules to be given to Shareholders to enable them to make an informed decision on whether to vote for or against the resolution relating to the Repurchase Mandate.

1. SHARE CAPITAL OF THE COMPANY

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,474,232,000 Shares of US\$0.000025 each.

Subject to the passing of the resolution in relation to the Repurchase Mandate and on the assumption that no further Shares are issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 147,423,200 Shares, representing 10% of issued share capital of the Company as at the Latest Practicable Date.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and Shareholders to have a general authority from Shareholders to enable the Directors to repurchase Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws and regulations of the Cayman Islands.

If the Repurchase Mandate is exercised in full, there might be a material adverse effect on the working capital or gearing position of the Group as compared with the position disclosed in the audited consolidated financial statements for the year ended 31 March 2018. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, under the circumstances, have a material adverse effect on the working capital requirements or gearing levels of the Group which in the opinion of the Directors are from time to time appropriate for the Group unless the Directors determine that such repurchases are, taking into account of all relevant factors, in the best interests of the Company and its Shareholders.

4. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases under the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

5. CONNECTED PERSONS AND ASSOCIATES

As at the Latest Practicable Date, none of the Directors, nor to the best of their knowledge having made all reasonable enquiries, any of their associates has a present intention to sell Shares to the Company under the Repurchase Mandate if the Repurchase Mandate is approved by Shareholders.

As at the Latest Practicable Date, no connected person has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by Shareholders.

8. EFFECT OF TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could, depending on the level of increase in shareholding interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register kept by the Company as required under Section 336 of the Securities Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and so far as the Directors are aware, the substantial Shareholders are as follows:
